EXAMPLE OF OTHER BRIDGES: MCHENRY COUNTY COLLEGE

PLANNING

- Collaborated with credit-side to understand program offerings
- MCC is constructing a new CADI building to house manufacturing programs
- Decided a bridge in this area would best serve students
- Began by utilizing state approved curriculum

MARKETING

- Collaborated with MCC Marketing department
- Created a brand-new website for both Bridge & ICAPS
- Created flyers
- Language & Representation amongst students to encourage participation

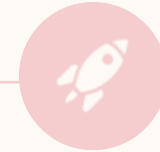

DESIGN

- Building the goal of manufacturing into the frameworks of reading and writing

STRATEGIES

- Making each goal and activity relevant

INSTRUCTORS

- Ensuring students are ICAP and college ready
- Ensuring students are work ready
